

We are currently recruiting for Board of Directors 2024-2025

Lumacare is actively seeking committed and enthusiastic individuals to join our esteemed Board of Directors. Lumacare is a leading not-for-profit organization that provides in-home support and community programs to older adults in the North York and Toronto communities. Lumacare advocates for and delivers high-quality, client-centered home and community services, providing dignity and choice for aging at home.

As a Board Member, you will play a crucial role in shaping the future of our organization and contributing to the well-being of our communities. We are seeking an individual with the following qualifications:

- Demonstrated leadership experience in either the nonprofit sector or related fields.
- Proven strategic development skills with the ability to contribute to long-term planning to help guide our organization towards greater success.
- A commitment to the mission and values of Lumacare.
- Strong communication and interpersonal skills.

As a Board Member at Lumacare, you will be responsible for:

- Providing strategic guidance and contributing to the development of organizational goals and objectives.
- Attending eight to ten board meetings per year and serving on at least one committee of the board which typically meets on a quarterly basis.
- Collaborating with fellow board members to ensure effective governance and oversight.
- Supporting fundraising initiatives and as well as directly investing in Lumacare work by making a personal contribution each year.

Lumacare welcomes applicants reflective of our community's cultural and gender diversity in North York and Toronto. Preference will be given to individuals that reside or work in our operating area.

Interested individuals may submit their expression of interest to the Lumacare Board by submitting a resume via email to board@lumacare.ca, noting "Board Nomination" in the subject line by **February 23, 2024**.
